FRIEDA STEGE LANDSCAPE ARCHITECTURE COLLECTION

ARC 10

DONOR: FRIEDA STEGE ESTATE

DATE: c2000

The Stege Collection contains landscaping plans for particular clients and a large assortment of slides that present projects in progress and completed. Some sets seem to have been organized as examples of various elements of landscaping for prospective clients. The slides are organized into sets that are arranged and labeled in their own slide box. The cataloger has arranged them in "shoebox" sized archival storage boxes.
