

# NEW CANAAN HISTORICAL SOCIETY COLLECTIONS

## ARCHITECTURE COLLECTIONS SUMMARY

DONOR:

DATE:

The Architecture Collection is arranged alphabetically by the name of the Architect or Firm. Boxed collections are labeled with the Architect or Firm name and contain original documents, published articles, etc. The material may or may not be organized with an itemized catalog. Flat file items are arranged by architect's name or firm with a penciled label on the lower right corner of each plan & stored in the vault. See the Architecture Flat File Catalog for collection content.

ARCHITECT OR FIRM	RESOURCE SUMMARY
Architects and Architecture in New Canaan	Arc 01 – General Files. Alphabetical files on New Canaan architects: includes published articles on architecture in New Canaan, practicing architects, modern architecture in general, some organization, but unlisted.
Architects and Architecture in New Canaan	Arc 02 – Modern House Files. Files on individual houses built in the “modern/international style” during the 1950s, 60s and 70s. Arranged by architect, one house per folder.
